

NouriFusion™ MultiVitamin Eye Gel

REDUCES UNDER-EYE PUFFINESS

KEY BENEFITS

- Reduces under-eye puffiness
- Provides light moisture
- Tightens and smoothes skin

Wake up your eyes with NouriFusion™ MultiVitamin Eye Gel. Under-eye puffiness and dark circles are a thing of the past when you use MultiVitamin Eye Gel with Eyeliss™* technology. Eyeliss™ is a breakthrough ingredient that reduces water retention around the eyes, leading to a visible reduction in puffiness. Don't live with that tired look any longer! MultiVitamin Eye Gel can be applied over or under any makeup and provides light moisture that's right any time of day.

Vitamins play a key role helping the body develop and maintain healthy-looking skin. Formulated with skin-enhancing antioxidant vitamins A, C and E, MultiVitamin Eye Gel provides basic nutrition for your skin.

DISCUSSION POINTS

- ACE for the face: MultiVitamin Eye Gel is made with antioxidant vitamins A, C and E.
- Eyeliss™ technology: Improves the appearance of chronic under-eye bags and under-eye puffiness.
- Siberian Ginseng Extract: Tightens and smoothes the skin and helps reduce the appearance of fine lines.
- Cooling sensation: Enjoy the immediate sensation of coolness when applied.
- Combine with other products: MultiVitamin Eye Gel can be used with all other NouriFusion™ MultiVitamin skin care products.
- Use MultiVitamin Eye Gel during the day for light moisture and NouriFusion™ MultiVitamin Eye Cream at night. If you have extra dry skin, try using the products together by layering the eye cream over the eye gel.

DID YOU KNOW?

Puffy eyes are a common problem with a multitude of causes, including genetics, diet and lack of sleep. Any of these factors can cause the body to retain water, which can then gather beneath delicate eye skin. As the body grows older, eye skin loses its elasticity, and puffy eye skin starts to bag. MultiVitamin Eye Gel can reduce the appearance of under-eye puffiness so you look and feel your best every day.

FAST FACTS

- Eyeliss™ technology reduces under-eye puffiness.
- Offers light moisture and instant cooling sensation.
- Skin around the eyes will feel fresh and revived.
- Suitable for all skin types.
